**Our kitchen concept:
– radically seasonal and totally regional –**

*Dear guests,
in our restaurant „Zum goldenen Fass“ we cultivate an honest, fresh and creative cuisine.
We cook exclusively with natural and sustainable products from our surroundings, which we
obtain directly from the producer. This means, among other things, that we do not use pepper,
vanilla or olive oil, chocolate, sea fish, citrus fruits and more.
We increasingly work with traditional preservation methods such as smoking, preserving,
fermentation and drying to provide a selection of vegetables and fruit even in winter.
The card may vary daily depending on the offer. Let yourself be surprised by the variety of
products offered in the region and our innovative use of them.
Our goal is to turn the zum goldenen Fass into a mirror of its terroir and its season.*

*Also with the drinks we offer only wines and spirits from selected companies in Switzerland,
Alsace and Southern Baden. The only exception remains the coffee we get from a roasting house in Ticino.
But we are currently testing alternatives: try our „coffee“ made from roasted lupines.*

*Our motto has always been to enjoy and relish delicious food with a good conscience – we now have
decided to do so even more consequently however! Additional information and a list of our producers can
be found on our website www.goldenes-fass.ch*
